

<b>Map</b>	<b>Bowl</b>	<b>ER</b>	<b>TA</b>	<b>Comments</b>
Habitat	X	X	L	Limited data for TA. Will be preparing a draft for Thede ASAP
Flood/Wet	X	X	X	Need to meet/email/talk with Scott re: stds for wetland symbols, confirm 100 year flood
H2OShed	X	X	X	Need to confirm level of watershed, stream symbols, include impaired designation?
Landcover	?	?	?	Need a decision on which data set and to get it. If Wildfire need generalization level and symbol stds, if any.
Seismic	X	X		Need to FUP with Lisa Ameen for ER, should we include Avalanche and call Geotechnical Hazards?
Surficial	X			Need the LUT for the symbols, will FUP with Warren
Soils	X	X		Any symbolization standards you want used?
Land Use	X	X		No TA info in the data, data dirty and incomplete - see map
Parks, etc	X	X	X	Need Chugach Nat'l Forest data, confirm data is newest and/or best for this project
Slope/Wind	X	L	L	Only slope for ER and TA. Lidar data processing, what really do about wind?
